## The Bulletin

Norwich, Monday, Feb. 4, 1918.

### THE WEATHER.

The cyclonic depression of Saturday evening in Minnesota has advanced to the St. Lawrence valley, attended by light snows in the lake region, New England and northern New York. In connection with this depression there have been general rains in the east and south Atlantic states. A strong and cyclone is moving southward over the Dakota. It is attended by much colder weather, which has already extended eastward into the upper lake region and southward into the middle Mississippi valley.

Except for snow along the lower lakes and in New England on Monday, the weather will be fair in the Washington forecast district during the next 48 hours. It will be colder Monday in the lake region, the Ohio valley and western Tennessee, and colder weather is indicated Tuesday for the east and south Atlantic coast districts.

Cold wave warnings have been issued for the lake region, the Ohio valley and western Tennessee. Storm warnings are displayed on the Atlantic coast from Delaware Breakwater to Eastport.

**Forecast.**  
Southern New England: Snow, followed by fair and colder Monday; Tuesday fair and colder.

**Observations in Norwich.**

Collection at St. Andrew's for War Work Commission—Services at St. Mary's Church Saturday and Sunday.

Sunday morning at St. Andrew's church a collection was taken up for the War Commission of the Episcopal church. This commission has been organized to minister to the Episcopalians who are serving in the army and navy. There are at present over 71,000 members of the service. A good fund was subscribed and the local end of the fund will be kept open for another week before it is forwarded to the headquarters in New York. The churches throughout the country have been asked to raise \$500,000, and as usual St. Andrew's will do its full share.

Holy communion was celebrated by the rector at the morning service.

**At St. Mary's.**  
Saturday, the Feast of the Persecution of the Holy Martyrs, was celebrated at St. Mary's church. The feast is also known as Candlemas. Candles for the parish were blessed before the service and afterwards distributed to the parishioners. Sunday the Feast of St. Blas, the saint under whose protection is placed the care of the throat was celebrated. In spite of the stormy weather there was a good attendance at the masses Sunday.

**TAFTVILLE**  
Many Sleighing Parties to Nearby Villages—Village Notes.

Saturday evening there were a number of sleighing parties to dances in nearby villages. There were a number of local young people who attended the dance in Battle while a number of others went to the dance given for the benefit of the Red Cross in Ocean. All reported an ideal night for sleighing except for the cold in some cases the mercury was reported to be as low as zero.

**Enlisted in Navy.**  
William M. Savage of Taft's Station has enlisted in the navy as a printer and is at present stationed at the submarine base at New London. Until his enlistment Mr. Savage was employed as a linotype operator on The Bulletin.

**Village Notes.**  
Hector Linnea of New London was a recent visitor in the village.

John Dufrene of Pawtucket is spending a few days with friends on Providence street.

With the exception of Mill No. 1 the local mills of the Penamack company will be closed today.

## FUEL ORDERS ANNOUNCED

Copy of Rulings Curtailing Hours of Business in This State  
Received by Local Fuel Committee Chairman—Places of Public Amusement Must Be Closed at 10.30 Every Night Except Saturday Night.

Today, heated Monday, will see business in general again suspended in Norwich. Retail stores which are allowed to remain open on Sunday did a flourishing business, especially in the cigar, cigarette and tobacco lines, as many customers laid in a stock to carry them over Monday.

Martin E. Jensen, chairman of the local fuel committee, has received a copy of the latest fuel orders curtailing hours of business. These rulings are based on orders issued by the U. S. fuel administration, the governor of Connecticut and the U. S. fuel administration for this state. The rulings are in three sections, as follows:

**Section A.**  
On Mondays, all factories, stores, offices and other places of business must be closed all day, except the following: 1, factories which by water power; 2, factories which by water power; 3, factories which by water power;
